

# Southeast/Gulf Coast Combined Heat & Power Summit

October 16-17, 2006

## “Economic Growth Through Secure, Reliable Energy”

Plan to attend this two-day summit to learn how Combined Heat & Power (CHP) could help increase power reliability, manage energy costs and improve operating margins for your facility.

**This event is directed towards casinos, hotels, hospitals and healthcare, universities and colleges, agricultural operations and manufacturing facilities.**

### PRELIMINARY AGENDA

#### Keynote Topic:

*“The Role of CHP in the Regional Struggle to Rebuild, Recover and Grow”*

#### Summit Topics:

- Energy Risks: Reliability & Predictability
- The Business Case for Combined Heat & Power
- CHP System Design Trade-offs
- Using Opportunity Fuels in Agriculture and Manufacturing
- CHP and Green Buildings
- Environmental Benefits of CHP
- Breakout sessions focusing on project development, system design and case studies
- Network with CHP industry experts and potential adopters in 12 states!

#### REGISTRATION FEE:

*Before October 1: \$100/person*

*After October 1: \$125/person*

#### REGISTER ONLINE!
